

# CISSP Seminar

## Examination Preparation

A 30 Day Exercise

Presented By  
Dr. David Teneyuca, CISSP  
DXT Consulting, LLC

# Let's Review

## CISSP – The Examination

- o Most Recognized Security Certification in the industry.
- o (ISC)<sup>2</sup> Requirements.
  - o Exam cost - \$599 per student
    - o Standard registration
    - o Written exam vs. Online exam
  - o Format
    - 250 multiple choice questions
    - Up to 6 hours to complete
  - o Scheduling
    - At Major Information Security Conferences
    - CBK<sup>®</sup> Review Seminar Locations
      - o See [www.\(ISC\)2.org](http://www.(ISC)2.org) for dates and locations

# Learn How To Prepare for CISSP Certification

- o Identify the access control mechanisms that create a security architecture and protect assets.
- o Recognize the cryptography principles, means, and methods of disguising information.
- o Explore business continuity and disaster recovery planning for the preservation of business operations.
- o Examine core elements of network security including network structures and transmission methods.
- o Inspect the key security concepts for application software development.

# Who Should Attend

- o Information security professionals
- o Government and military personnel
  - o Seeking IAT-3, IAM-2, or IAM-3 certification to fulfill the DoD 8570.1
- o Directors, network security personnel, and managers.

NOTE: Participants should be aware of the exam eligibility criteria established by (ISC)<sup>2</sup>.

## Our Most Important Goal

“Each attendee will utilize 30 days dedicated to reviewing, preparing, completing, and successfully passing the CISSP exam administered by the International Information System Security Certification Consortium (ISC)<sup>2</sup>”

2012  
Common Body of  
Knowledge

5 Days of Intense Classroom Training

Day 1 - Security Management Practices

Law, Investigation, & Ethics

Day 2 - Physical Security

Security Operations

Day 3 - Business Continuity & Disaster Recovery  
Planning

Security Architecture & Models

Day 4 - Access Control Systems & Methodology  
Cryptography

Day 5 - Telecommunications & Network Security  
Software Development Security

*DXT Consulting, LLC*

Top 10 Reasons to Attend

1. Results Oriented
2. Sound Investment
3. Form A Personal Exam Prep Plan
4. Individual And Flexible Learning Time
5. Strengths And Weakness Identified
6. Opportunity To Interact With Others
7. Small Class Size
8. A Committed Personal Trainer
9. Powerful Classroom Experience
10. Supplemented with eLearning

12/13/2011

6

# Unique Bonus

- o Make use of an additional 25 days for eLearning
- o Distinct activities and discussions designed for:
  - o Reinforcing key areas of the CBK® through numerous review sessions.
  - o Uncovering areas to further develop and expand your exam readiness.
  - o Investigating the latest information system security issues, concerns, and countermeasures.
  - o A self-paced learning experience.

# Our 30 Day Exercise

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1 Classroom	2 Classroom	3 Classroom	4 Classroom	5 Classroom	6 eLearning D1
7	8	9 eLearning D2	10	11 eLearning D3	12	13 eLearning D4
14	15	16 eLearning D5	17	18 eLearning D6	19	20 eLearning D7
21	22	23 eLearning D8	24	25 eLearning D9	26	27 eLearning D10
28	29	30 Final CISSP Assessment				

Note:  
Domains=D1-D10

# Right Training Plan For You

- o Professional goal oriented training.
- o Intense 5-day course (8am - 5pm).
- o Continued online student coaching.
- o Valuable and skillfully designed seminar.
- o One-on-one coaching.
- o Comprehensive assessment at course completion.

# The Benefits

- o Delivers a complete overview of information security concepts and industry best practices.
  1. Examine the 10 CISSP domains as outlined in the (ISC)<sup>2</sup> CBK<sup>®</sup> and explore the newest information system security issues.
  2. Design an individual study plan to enhance your CISSP examination preparation skills.
  3. Allows learners to manage their time via supplementary online education.
  4. 30 Day Window of Opportunity – Pass the Exam.
